1 and

2 (3) gifts, money, and donations received from any other
3 source, including transfers from other funds or accounts.

4 (c) The expenses of administering the fund shall be paid from
5 money in the fund.

6 (d) The treasurer of state shall invest the money in the fund not
7 currently needed to meet the obligations of the fund in the same
8 manner as other public money may be invested. Interest that
9 accrues from the investments shall be deposited in the fund.

10 (e) Money in the fund at the end of a state fiscal year does not
11 revert to the state general fund.

12 Sec. 3. (a) A person seeking a grant under this chapter must
13 submit a proposal to the state department.

14 (b) A proposal for a grant under this chapter must include the
15 following:

16 (1) The targeted area.

17 (2) Measurable behavioral or secondary outcomes within the
18 target area.

19 (3) A proposed specific reduction in the rate of infant
20 mortality among the targeted area that is measurable based
21 on available information to the state department.

22 (4) The time frame in which to achieve the reduction
23 described in subdivision (3).

24 (c) The state department shall determine whether to approve a
25 grant proposal. If the state department approves a proposal, the
26 initial award amount shall not exceed fifty percent (50%) of the
27 total grant amount approved for the proposal. The state
28 department shall distribute the remaining amount of the approved
29 grant to the grantee when the state department determines that the
30 reduction in the infant mortality rate among the proposal's
31 targeted area has been achieved within the time frame specified in
32 the grant proposal.

33 Sec. 4. (a) In awarding grants under this chapter, the state
34 department shall give preference to proposals that seek to do any
35 of the following:

36 (1) Improve access and coordination through outreach and
37 follow-up services for pregnant women who are at risk of not
38 receiving prenatal care.

39 (2) Incentivize at-risk pregnant women to obtain prenatal
40 care.

41 (3) Decrease smoking rates among pregnant women.

42 (4) Promote evidence based home visitation by a trained

1 provider or coordinator.

2 (5) Incentivize collaboration between health care providers
3 and other human services providers in providing outreach to
4 at-risk pregnant women.

5 (6) Address the issue of infant mortality on a regional basis.

6 (b) The state department shall develop regions for purposes of
7 subsection (a)(6).

8 Sec. 5. The state department may adopt necessary rules under
9 IC 4-22-2 to implement this chapter.
